2. [ ] - LLM) [ ] Office of Personnel, alerted us that James Rowan, who works in the Boston office of Representative Thomas P. O'Neill, Jr. (D., Mass.), had indicated his interest to [ ] in visiting the Agency Headquarters complex sometime next week. Further details will be provided by Personnel.

25X1  
3. [ ] - LLM) Called Jim Kronfeld, Staff Counsel, Subcommittee on Foreign Operations and Government Information, House Government Operations Committee, for a prognosis on the outcome of the conference committee action of the Freedom of Information Act amendments (H.R. 12471). Kronfeld advised that the conferees met 6 August and resolved all of the tough questions except the one concerning sanctions; that exemption (b)(3), concerning disclosure by statute, will not be merged with the (b)(1) exemption, which will continue to apply only to classification under executive order; and the Senate staffers are on the verge of accepting conference report language embracing Intelligence Sources and Methods under the "born classified" concept.

25X1  
4. [ ] - SWH) Called Al Westphal, Staff Consultant, House Committee on Foreign Affairs, to inquire whether Representative Michael Harrington (D., Mass.) or any others had introduced any amendments to the Foreign Assistance Act during Committee markup over the past week that affect us. Westphal said things were moving slowly and nothing had transpired affecting us; however, he expected the amendments by Representative Harrington to be introduced next week.

25X1 6. [ ] - JGO) Talked to Frank Slatinshek, Chief Counsel, House Armed Services Committee, who told me that the material prepared for the Chairman's use on Diego Garcia was not needed during the floor debate and, in consequence, may be used in another fashion if needed. He has mentioned the matter to Ed Braswell, Chief Counsel and Staff Director, Senate Armed Services Committee, and suggested that we might want to discuss the matter further with Braswell.

25X1 7. [ ] - JGO) Talked to Ralph Preston, House Appropriations Committee staff, at various times during the day, and after confirmation by the Director, scheduled a meeting for Monday, 19 August at 2:00 p.m. in H. 140, Capitol with the Mahon Special Group. [ ] OS, has been advised.

25X1 8. [ ] - KKH) Received a call from Bonnie, on the staff of Senator Abraham Ribicoff (D., Conn.), who requested six copies of the Middle East Atlas for use in their office. 25X1 9. [ ] - KKH) Received a call from Marilyn Tat, in the office of Representative Norman F. Lent (R., N.Y.), who requested a personnel interview in New York for [ ] who had recently been turned down for employment. I called JoAnne, OP, and she arranged for [ ] to send [ ] a letter and then it would be up to him [ ] to get in touch. No further action is necessary.
